## S. ZEV NATHAN

### Office Address

1335 State St.

Santa Barbara, CA 93101

805-962-3530 Work

805-565-2113 Fax

805-886-5371 Emergency Cell

### CURRENT PRACTICE

My current practice includes a mix of children, adolescent, adults, couples and families. The practice is approximately half adults. Most clients are seen in psychotherapy . Medication only work is primarily for former psychotherapy patients of mine who currently need only medication management at this point.
